# News Release

## **HPD Participates in National Prescription Drug Take-Back Day**

**April 24, 2012**

This year the Harrisonburg Police Department, in partnership with the Drug Enforcement Administration (DEA), will participate in the National Take-Back Initiative.

**On April 28, from 10 a.m. until 2 p.m. the Public Safety Building, 101 N. Main St.** will serve as a take-back site for the community. The site will be located in the first parking lot directly behind the building.

Individuals, who are dropping off medication, will not need to provide any identifying information, answer any questions, or even exit their vehicles. This is a free service provided by law enforcement to the local community.

Any unused, unwanted, or expired prescription drugs can be turned in at this time.

More information is available through the DEA's website and link below.
